This software, including its source code, documentation, datasets, database structure, visualizations, and other original materials, is the intellectual property of **Mayank Meena**.

Restrictions

Without prior written permission from **Mayank Meena**, no person or organization may:

- Copy, reproduce, or redistribute this project or its source code.
- Modify, adapt, or create derivative works from this project.
- Upload or publish the project or its source code on another repository or platform.
- Use the project for commercial purposes.
- Submit, present, or claim the project as their own work.
- Remove or alter the author's copyright or attribution information.
- Rename, repackage, or otherwise represent the project as independently created work.

Attribution

Any authorized use or reference must clearly credit the original author:

Author: Mayank Meena

Project: Bakery Management System

Year: 2026

Technologies: Python, Pandas, Matplotlib, CSV, MySQL

Ownership

All original intellectual property rights in this project remain with **Mayank Meena**, subject to applicable copyright and other intellectual-property laws.

Unauthorized copying, redistribution, or false claims of authorship are not permitted.

Permission

Any exception to these terms requires explicit written permission from **Mayank Meena**.
